Communication Letter: GST 2.0 Transition of Consumer Products

Date: 10th September 2025

Dear Esteemed Business Partner,

As you are aware Government of India during 56th GST Council Meeting, has approved GST rate reduction across various products. The impact on the product categories within our portfolio is as follows:

Product Category	GST From	GST To
Custard, Jelly, Drinking Chocolate, Cocoa Powder, Falooda Mix	18%	5%
Pasta, Pasta Masala, Instant Pasta, Pasta Sauces	12%	5%
Baking Powder, Cornstarch	12%	5%
Tomato Ketchup, Chinese Sauces	12%	5%
Whipping Cream, Glucose, Pudding Mix, Freeze Mix	18%	5%
Icing Sugar, Peanut Butter	12%	5%

Above changes are scheduled to be effective from 22nd Sep 2025, subject to receipt of GST notification.

As per the council's recommendation, there is no change in the GST rates for our products not listed above, including Green Tea, Oats, Baking Soda, Vinegar, Mushrooms, Vanilla Powder etc.

Even though the selling rate may change to 5%, your right to claim the input credit remains unchanged. The GST credit you have taken on your inventory bought at the earlier rates is still fully available to you. Therefore, there will be no financial loss or implications for you.

We encourage you to maintain normal procurement and distribution activities during this transition period. We are jointly committed to successfully transitioning to the new GST structure together. Your cooperation and continued partnership are vital to maintaining market stability and uninterrupted access to the essential food products.

Thank You.

Authorized Signatory,

Veeral Bakhada

CFO, Weikfield Foods Pvt. Ltd.
