

Description of MDM changes option via Partner Biz Portal:

Starting today, you will be able to provide inputs for any changes in the product specifications such as UoM, MRP and UPC before sending the stocks to our warehouse.

The option is available under the “Assortment” and you will be able to provide inputs for UoM, MRP and UPC. Based on the inputs provided, the request may get immediately approved or approved by us within 4 days of the input provided. In select exigency cases, we would request you to provide the artwork/required details within 24 hours of goods being delivered (except Sunday). We also plan to include other Master data changes on the platform in the upcoming months and shall communicate accordingly.

Please note all the changes must be raised as a request to us through PartnersBiz before the next set of POs are to be released. Link for Assortment page on PartnersBiz - <https://www.partnersbiz.com/app/assortment> , please reach out to your category manager for access issues, if any.
